

## Live Jazz Songlist for singer Djovaroh

Uptempo:

Moondance

Lets start tomorrow tonight

Bojangles

I got you under skin

All of me

Fly me to the moon

One for my baby

Where or when

You make me feel so young

Come fly with me

Swing Supreme

The way you look tonight

It had to be you

To love somebody

Have you met Miss Jones

I get a kick out of you

The Lady is a tramp

Foggy Day

Girl from Ipanema

Our Love is here to stay

Lets face the music and dance

The Summerwind

What a difference a day makes

Baubles Bangles and beats

Nice N' easy

Someone to watch over me

Tender trap  
Witchcraft  
You'd be so nice to come home to  
Just in time  
Just one of those things  
It's all right with me  
Night and day  
Manhattan  
Blue moon  
Caravan  
I'm beginning to see the light  
Cheek to cheek  
Isn't this a lovely day  
But not for me  
A fine Romance  
Let yourself go  
Smile

Ballad:

Cry me a river  
The nearness of you  
The very thought of you  
Bewitched  
Two shots of happy, one shot of sad  
I only have eyes for you  
Do it again  
Come Rain or come shine  
April in Paris  
What a wonderful world

Embraceable you  
How deep is the ocean  
Guess I'll hang my tears out to dry  
Summertime  
Stormy weather  
Isn't it romantic  
I've grown accustomed to his face
